Thanks for clarification, so it just comes to Mathy? I'll take a quick look when you send it up. As we discussed on the phone yesterday, Mathy or I will give Shawn a call to let him know all systems are go.

Lisa:

Dana T. may still be on her way into the office. I'll forward to you in a few minutes. Mathy does not need to sign the concurrence. Concurrence is at the OEM OD level. If there were reason to non-concur, then Mathy would have to sign.

Currently preparing the AM package to have ready for Dana T. to sign/concur and then be able to scan/e-mail back to R3 with plenty of time before 9:00 am.

Tito

Thanks Dana, Can you forward the attachments just so I can take a quick look as I think Mathy needs to sign the concurrence as well and to be sure we are good to go by 9am. Thanks to you and Tito for your hard work as well.

Dana & Tito, thanks again for the support. I've made changes to the documents in response to the final comments you each offered this evening. I am resubmitting the revised documents and am requesting your processing of the concurrence in the morning. Dennis.
